Website Exploration Special Project

Ms. Duell, Kinesiologist
Lifetime Fitness & Health

Purpose: To learn how to navigate Ms. Duell's website; assist the students and families to locate specific information on the website; and to introduce the website to the student's families.

- 1. All students will need to visit Ms. Duell's website to complete this assignment, located at: http://www.mauitechgirl.com/kinesiology/index_folder/navigation_index3.html**
- 2. All students must have their parents/guardians sign this assignment sheet.**
- 3. All work should be done on the back of this assignment sheet.**

Kindergarten: Students and parents/guardians look at the website together; find the Curriculum Map, and write the activity the students will be participating in for the week of **Oct. 20-27**; plus review information on the main page. **Due: TBA.**

1st Grade: Students and parents/guardians look at the website together; find the Curriculum Map, and write the activity the students will be participating in for the week of **Oct. 12-19**; plus draw a picture of one of the stretches we do in class-check out the Warm-up & Stretches link. **Due: TBA.**

2nd Grade: Students and parents/guardians look at the website together; find the Curriculum Map, and write the activity the students will be participating in for the week of **Oct. 28-Nov. 4**; plus color and label One (1) muscle group. **Due: TBA.**

3rd Grade: Students and parents/guardians look at the website together; find the Curriculum Map, and write the activity the students will be participating in for the week of **Nov. 17-30**; plus practice the Muscle Group Names using the Learn Your Muscles Link ...remember to hold your mouse over the muscle group for three seconds. *(You must be on a PC for this page to work correctly). **Due: TBA.**
